The Famous Christmas List

As ever we have searched high and low to find the best of the best wines to grace your festive dinner table. All of these offer great value and come with the knowledge that we have tried and tasted every single one (we had nothing better to do in lockdown...honest).

This year rather than offer a list of wines that you can put together yourself we thought it would be easier, in these challenging times, to offer a number of pre-selected mixed cases.

You can of course still mix and match yourself and we would be delighted to help if none of these fit the bill.

Truly Madly Mixed Dozen - £245 (normally £265) for 12 bottles delivered to your door.

Our flagship case with a mix of wines that will take you right through from Christmas Eve to Boxing Day.

1 x Charles Mignon Premier Reserve Brut - no better way to start the day than with our favourite champagne fruity yet fresh and of course very fizzy.
3 x Chateau du Faure Haut Normand 2018 - Red - our own wine, 100% Merlot; can take all the flavours Christmas can load you up with.
2 x Bellefont Belcier 2018 - Red - one of the great St Emilion wines. A silky, smooth beauty to take centre stage on the big day.
2 x Chateau de Cerons 2016 - White - deep citrus and apricot flavours, perfect with white meats and fish.
3 x Chateau Marjosse 2018 - White - crisp, clean refreshing Sauvignon Blanc - who needs Cloudy Bay when you can have the original and best.
1 x Chateau Lafon 2017 - Sweet - a pudding wine that goes just as well with blue cheese and foie gras (or faux gras if you prefer), as it does with Christmas Pud.

The Best of Both World's - £90 for 6 or save even more on 12 for just £165 delivered to your door

2 x Chateau du Faure Haut Normand 2018 - Red -the latest addition to our stable, 100% merlot aged in a mixture of old and new oak. Rich and smooth, will last for a decade or more, and makes beef or lamb really sing.
2 x Trois Le Faure 2017 - Red - our first vintage, lighter and fresher than the 2018 but still packed with flavour. Perfect as an apero, with roast chicken or, dare we say it....turkey.
2 x Chateau Marjosse 2018 - White - lemon zest and grapefruit flavours, sharp clean and fresh, perfect with a fish starter

I like the look of this

Half 'n' Half - A balanced mix of lovely wines at great prices. Normally £195 for 12 now £180 delivered to your door.

3 x Chateau du Faure Haut Normand 2018 - Red - our own wine, 100% Merlot strong enough to take roast beef or duck but clean enough to go with your turkey.
2 x Trois Le Faure 2017 - Red - our "second" wine, lighter and fruitier, the perfect match for white meats and fish.
2 x Clos des Lunes 2018 - White - layered flavours of apricot and lemon, can take poultry as well as cheese and pate in its stride.
2 x Chateau Marjosse 2018 - White - the original and best pure Sauvignon Blanc - clean, fresh and sharp.
1 x Chateau Lafon 2017 - Sweet - a great pudding wine, figgy pudding loves this as does Stilton and Roquefort.
AND OF COURSE CHAMPAGNE
2 x Charles Mignon Reserve Brut - Christmas is not Christmas without fizz and this is our favourite clean, fresh and yet fruity.

All these are available as cases of 6 if you prefer
